

Georgia Narcotics Officers Association

On behalf of the board and men and woman of the Georgia Narcotics Officers' Association, I am excited to invite you to participate as a sponsor in our 2012 golf tournament. The tournament will be located at the beautiful Hampton Club golf course owned by the legendary King and Prince beach and golf resort located on Saint Simmons Island, Georgia. The 2012 tournament will be held on Monday August 13, 2012 with a practice round on Sunday August 12, 2012.

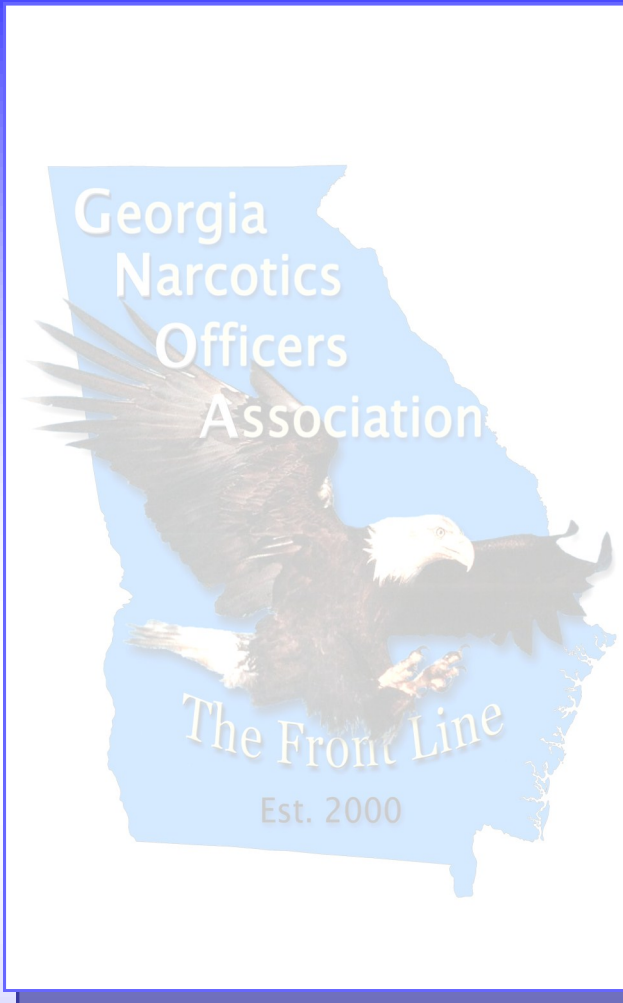

As a sponsor, you will gain valuable time with Law Enforcement agencies which include federal, state, county and local agencies throughout the state of Georgia. This will give you and your company a great time to meet, support and showcase your company and products in the field of Narcotics Enforcement.

You and your company are valuable to the mission in drug enforcement in the state of Georgia. As a sponsor you give the men and woman a chance to better keep the great state of Georgia drug free. The Georgia Narcotics Officers' Association will use your contribution to further the knowledge and training to keep us, the officers', safe and better equipped in narcotics investigations.

At our conference each year, the GNOA recognizes a Unit or Individual in notable drug investigation with the Whitehead award given in honor of one of our fallen officers. The GNOA also donates to the National Law Enforcement Monument/ Museum in Washington DC.

Thank you for your consideration.

Wesley E. Nunn
